Browning Superposed: John M. Browning's Last Legacy

Ned Schwing : Browning Superposed: John M. Browning's Last Legacy before purchasing it in order to gage whether or not it would be worth my time, and all praised Browning Superposed: John M. Browning's Last Legacy:

1 of 1 people found the following review helpful. Outstanding Browning BookBy hedgehogSchwing's "Browning Superposed" is one of the best gun books that I've ever read (and I've read quite a few). Interesting and beautiful, it provides an extraordinary amount of historical and technical detail, along with extensive high-quality photography documenting hundreds of wood and engraving patterns. I was introduced to this book by Angelo Bee, the famed engraver from FN in Belgium, who uses it as a primary reference source. This book helped me to "design" a customized Superposed, and it's also been a much-appreciated gift to a couple of my shooting friends. I wish I'd bought my copy several years ago at the original price, and it's unfortunate that it hasn't been reissued -- but even at today's much-higher secondary market prices (typically \$250-300 on for a hardcover in nice condition), this book is a good investment if you have a serious interest in these classic shotguns. I don't mean to sound like a shill, but it is truly

the Bible of the Browning Superposed: if you can afford it, you won't regret it! 1 of 1 people found the following review helpful. Five Stars By Customer Great book, perfect condition just as described, delivered on time. 1 of 1 people found the following review helpful. Five Stars By Customer LOOKS GREAT!

Chronicles the history of North America's best-selling over and under gun. Ned Schwing offers serial numbers, sales figures, and total number sold by gauge with rare photos and official company records.
