Buttons Buttons (Learn to Read, Read to Learn: Science)

Rozanne Lanczak Williams : Buttons Buttons (Learn to Read, Read to Learn: Science) before purchasing it in order to gage whether or not it would be worth my time, and all praised Buttons Buttons (Learn to Read, Read to Learn: Science):

0 of 0 people found the following review helpful. Buttons ButtonsBy Terri R.This book was hard to find but you had it and that was perfect for my little girl. She had to have it for a kindergarten book day and she won a prize. So thank you again.0 of 0 people found the following review helpful. Four StarsBy J. C. AllenWell done.0 of 0 people found the following review helpful. Cute bookBy Lilbudi77This book was exactly what I needed for a family homework bag. The kids were given a box if buttons and a game to play after reading this book.

There are so many types of buttons! Can you count them all? Science Concepts Sight Words Phonics Properties of matter: color and shape one two red blue little bug Beginning consonant /b/, as in buttons Rhyming words, such as two/blue and round/found Vocabulary Words Related Learning Skills square round Recognizing similarities and differences Recognizing opposites, such as big/little and lost/found Recognizing describing words (adjectives), such as blue and square From the best-selling Learn to Read series Teachers and parents the world over can't be wrong!
