**Tom Tierney, Paper Dolls, Paper Dolls for Grownups : Byzantine Costumes Paper Dolls (Dover Paper Dolls)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Byzantine Costumes Paper Dolls (Dover Paper Dolls):

They are beautifully rendered with fantastic detail.Included are two dolls, Emperor Justinian and Empress Theodora. The dolls are large, occupying the height of almost the entire page. The size allows minute details to be shown.Be aware, the dolls and their clothes do not punch out, but must be painstakingly cut. My 7 year old needed a lot of help and in truth I did most of the cutting myself. Both of us enjoyed the wonderful backstories provided about each outfit.The outfits themselves come in matching pairs on each page with one for the Emperor and one for his wife. My daughter was enchanted by the matching themed outfits.The paper is not cardstock,

but it is thick enough, a highly quality and heavy weight, and fairly durable for paper. 1 of 1 people found the following review helpful. Beautiful! His art has long been a favorite of mine. 1 of 1 people found the following review helpful. Great for a Byzantine Fashion Show! There are even descriptions for each fashion plate which would make a great fashion show! Each outfit is colorful and brilliant in detail.
