[E-BOOK] Catalina Island Pottery and Tile: 1927-1937

Catalina Island Pottery and Tile: 1927-1937

Carole Coates : Catalina Island Pottery and Tile: 1927-1937 before purchasing it in order to gage whether or not it would be worth my time, and all praised Catalina Island Pottery and Tile: 1927-1937:

1 of 1 people found the following review helpful. The Bible of Catalina Pottery.By KatVCarole is very knowledgeable and I have purchased several pieces from her and reference this book on a weekly basis as I expand my Catalina Pottery Collection.1 of 1 people found the following review helpful. Like all books of this kindBy Jack ChipmanThis is a well researched and written account of a company that produced iconic ground breaking products that are very collectible today.Like all books of this kind, there will always be disagreements over one thing or another. But overall, there's no justification for nick picking this account. Its a good looking book. Its well illustrated and an interesting an informative read.1 of 1 people found the following review helpful. Five StarsBy Christy CrizerGreat book!

This revised and updated 2nd edition of a book now called the bible of Catalina Pottery Tile focuses exclusively on vintage Island-made wares, contains an updated pricing and buying guide, newly discovered historic information gathered in the 10 years since the original edition, and includes over 40 new color images. The breathtaking ceramic artwares, tablewares, and tiles produced by the prolific Catalina Clay Products Company of Santa Catalina Island, California, from 1927 to 1936 are presented in over 590 color photographs and an eloquent text. Influenced in part by the Spanish Revival Movement and Depression-era Art Deco motifs, the artistry imbued in these pieces, ranging from teapots, patio pottery, and souvenirs to pictorial murals, hand painted plates, and tile tables, is displayed. A history of the company, its wares and artisans, a bibliography, and an index are also provided. Updated values are included in the captions.
