Each year *Ceramics in America* opens a window on most aspects of American life: public and private, imported and native, industrial and aesthetic, social and economic and on all cultures betwixt and between. (Philip Zea, President, Historic Deerfield, Inc.) *Ceramics in America* is a highly important publication in the field of ceramics research. Always stunningly produced, it can be counted on to provide the latest research into a variety of topics that impact our understanding of ceramics production and consumption in America. (Suzanne R.F. Hood, Curator of Ceramics and Glass, Colonial Williamsburg Foundation)
