[Free download] Chair Caning Seat Weaving Handbook: Illustrated Directions for Cane, Rush, and Tape Seats

## **Chair Caning Seat Weaving Handbook: Illustrated Directions for Cane, Rush, and Tape Seats**

**Skills Institute Press : Chair Caning Seat Weaving Handbook: Illustrated Directions for Cane, Rush, and Tape Seats** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chair Caning Seat Weaving Handbook: Illustrated Directions for Cane, Rush, and Tape Seats:

10 of 10 people found the following review helpful. Lots of Pictures but lacks substanceBy Hebe MartinThis book is just okay for the pictures but is very limited; there are other books that offer instructions for a more professionally looking end product for the same type of seat weaving techniques. I like to have a variety of books on a how-to subject to gleam ideas and techniques. I suggest perusing The Caner's Handbook and The Complete Guide to Chair Caning, both by Jim Widess. There are some out of print books, also, that offer so much more than this book but still available through . This is the first time I have returned an item to , that is how disappointed I was with this book.0 of 0 people

found the following review helpful. Not very in depthBy LorrainVery disappointed in this book. Should have listened to the reviews0 of 0 people found the following review helpful. great.By Theresa CarlReally needed the books help, great.

Restore and repair antique or worn-out chairs with this handy guide. Learn how to make repairs yourself and skip the high costs of professional craftsmen. With clear demonstrations of weaving patterns and processes, this book will guide you through preparing your chair, gathering tools, weaving, and finishing. Even beginners will enjoy success with easy-to-understand, illustrated, step-by-step instructions. Projects include cane seats, Shaker tape seats, and rush seats.

About the AuthorJohn Kelsey is a journalist and editor specializing in woodworking and furniture making. He has a degree in woodworking and furniture design from the School for American Craft at the Rochester Institute of Technology. He is a former editor in chief of Fine Woodworking magazine and a publisher of woodworking and home building books at the Taunton Press. He is the author of Furniture Projects for the Deck and Lawn. He lives in Newtown, Connecticut.Excerpt. Reprinted by permission. All rights reserved.This book will detail the basics of making chair seats, from weaving with cloth tape, rush, or cane to simple upholstery with cloth or leather. Also covers chair repair.
