(Mobile library) Children Figurines of Bisque and Chinawares, 1850-1950

## Children Figurines of Bisque and Chinawares, 1850-1950

**Elyse Zorn Karlin : Children Figurines of Bisque and Chinawares, 1850-1950** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Children Figurines of Bisque and Chinawares, 1850-1950:

0 of 0 people found the following review helpful. Three StarsBy Maggie RushI would have found it more useful if it had more info about figurines.0 of 0 people found the following review helpful. Excellent book for reference.By Joyce PerryWell written book with lots of good pictures. Used the book for information on piano babies and other figurines. Easy to understand for the average person and not just geared to collectors.0 of 0 people found the following review helpful. Five StarsBy Carol SumpterExcellent reference. Found what I was looking for.

Now there is finally a reference source for collector's of bisque and china children figurines! Whether you collect one type of figurine such as Snow Babies, Kewpies or Piano Babies or children figurines in general this book is for you.

Lavishly illustrated with over 300 color photographs, this book offers a lot of practical information, illustrations of marks, the origins of each category, related collectibles and lists of manufacturers. In addition, the author provides you with guidelines on what to look for when purchasing figurines and a useful price guide! A reference source the children figurine collector will use over and over!

About the Author Elyse Zorn Karlin has been collecting antiques and jewelry for nearly thirty years. She lives outside New York City with her husband and son in an Arts and Crafts period house.
