Chinese Export Porcelain, Standard Patterns and Forms, 1780-1880

Herbert Schiffer : Chinese Export Porcelain, Standard Patterns and Forms, 1780-1880 before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Export Porcelain, Standard Patterns and Forms, 1780-1880:

0 of 0 people found the following review helpful. Know your chinese export porcelain.By noneThis book is the "bible" for people wanting to learn about chinese export porcelain or identify specific items. it exhibits many if not most of the types and styles of porcelain exported from China for the European and American markets during the late 18th, and 19th centuries.I grew up with parents who were collectors and still managed to learn things from the information in this book.Strongly recommend!0 of 0 people found the following review helpful. Five StarsBy Cara P.A gift. Is as expected0 of 1 people found the following review helpful. ExcellentBy GeneralBuyerGood book, quick mailing. overall, Excellent!1 2 3 4 5 6 7 8 9 10 11 12 13 14

Chinese Export Porcelain, Standard Patterns and Forms contains over 1000 items illustrated in black and white and 49 color plates. This book tells the story of the exciting and dangerous "China Trade." The principal purpose of this book is to show and discuss the many forms and variations that have made this field so fascinating. The text is simple and factual and explodes many cherished myths and fantasies about these wares. The pictures and captions tell the story.
