Mr. Johnson did a beautiful job of putting this together.4 of 4 people found the following review helpful. Great book, lots of photos and info on vintage Christmas.By Brian P.I rate this book 5 stars. This is a older book but still very valuable with all the info and pictures, etc. that is inside this book. Great author, he has written many books on vintage christmas. I highly recommend this book and the author. This book is excellent reference for anyone collecting or selling vintage christmas items including belsnickles and ornaments, etc. 5 stars. Thank you!3 of 3 people found the following review helpful. You can never have too many Christmas ornaments....?By Terry BA as an introduction,this book is worth buying,for under \$20, even better.Then you can also get "Pictorial Guide to Christmas Ornaments Collectables,Identification and values" by the same author.The second book is much more extensive with updated values[2010],but less history and text.There are lots of color photos in both books to look at for your happiness.

Hardcover, 8.75 x 11.25 inches, 318 pages, 721 full-color photos, pricing information on a wide variety of Christmas

decorations produced prior to 1940.
