**From Quarto : Classic Farm Tractors 2018: 16 Month Calendar Includes September 2017 Through December 2018** before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Farm Tractors 2018: 16 Month Calendar Includes September 2017 Through December 2018:

Intriguing in their mechanical simplicity yet revolutionary in their day, classic farm tractors evoke a Zen-like, more unassuming time when farmers couldn't check their stock portfolios from their smartphones while plowing the fields.

Classic Farm Tractors 2018 features John Deere, Farmall, Allis-Chalmers, Case, Oliver, and several other vintage marques in restored glory, unsmitten by dirt but looking ready for duty should a modern-day farmer get in a pinch. The photographs are the work of photographer-author Ralph W. Sanders, who has written and photographed a number of books of vintage farm tractors for Voyageur Press. You will not see such a diverse, concise, beautiful collection of classic agricultural workhorses anywhere else
