## Classic Harley-Davidson

**Herbert Wagner, Allan Girdler : Classic Harley-Davidson** before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Harley-Davidson:

0 of 0 people found the following review helpful. Add to your book collection!By Steve KleinExcellent addition to any collectors library! Herbert Wagner is a foremost authority.0 of 0 people found the following review helpful.

Beautiful Overview of the best HarleysBy David HolubetzThis is a very nice book. Great pictures, good text, even a bit of wit. I especially liked the coverage of the 61E series OHV, which are to my eyes the nicest Harleys ever built.

This book was from when Motorbooks were the best. The Enthusiast series was light reading with big beautiful pictures for a reasonable price. If you like the old bikes, this is a great place to start.0 of 0 people found the following review helpful. my inquiring mind on mechanical substancesBy jeff smithVery informative reference book just bought a project bike, a 1933 vld great for colors and options on the vikes

Almost everyone knows the name and the product, but not as many know the history of Harley-Davidson, a company that started with just four men and a bevy of American spirit. Stocked with archival images and full-color photographs, Classic Harley-Davidson provides a comprehensive history of Americas favorite motorcycle. Every era is featured, from 1903s motorized bicycle to the roadburners we know and love today. Combines Wagners Classic Harley-Davidson 1903-1941 and Girdlers Harley Davidson Motorcycles from MBI's best-selling paperback Enthusiast Color

Series into one value-priced hardcover book that makes a great gift and introduction to this legendary company and motorcycle.
