Cloth Dolls, from Ancient to Modern: A Collector's Guide (Schiffer Design Books)

Linda Edward : Cloth Dolls, from Ancient to Modern: A Collector's Guide (Schiffer Design Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cloth Dolls, from Ancient to Modern: A Collector's Guide (Schiffer Design Books):

0 of 0 people found the following review helpful. very informativeBy FifibNicely done with lots of info and photos that for a novice are a great big help. I would purchase from this vendor again!2 of 2 people found the following review helpful. Historical Book of DollsBy S. RoseI am constructing a 19th century period correct doll. This book is full of illustrations of dolls from long ago to the 20th century.0 of 0 people found the following review helpful. This book reveals amazing details of the love for primitive and folk art ...By CustomerFabulously written book on both ancient and primitive. dolls. This book reveals amazing details of the love for primitive and folk art dolls. It tells wonderful stories of doll making and the process. I loved this book and will use it in all my doll making. Thank You.

Purchase this wonderful analysis on the art of doll making. Robin

For many years collectors and dealers alike tended to overlook dolls made of cloth in favor of their china and bisque contemporaries. Fortunately, this situation has changed dramatically in recent years. This book covers the story of cloth dolls from their ancient ancestors through to present day examples. This one easy-to-use volume with over 500 illustrations provides the most comprehensive study guide for this area in doll collecting available today. A value range is also included with each caption for easy reference.

About the Author Linda Edward and her husband Alfred live in Newport, Rhode Island, where, in 1987, Linda opened The Doll Museum.
