Coin World Almanac

Coin World : Coin World Almanac before purchasing it in order to gage whether or not it would be worth my time, and all praised Coin World Almanac:

0 of 0 people found the following review helpful. Five StarsBy Rolando H. AdameExcellent condition and love the book.

No other numismatic reference can match the scope or breadth of information contained in the new Eighth Edition of the Coin World Almanac. The editors of Coin World have gathered and compiled hundreds of thousands of the most vital facts about U.S. and world coinage and paper money and present it in nearly 700 pages and 24 chapters. The new 8th edition features: News highlights from the rare coin market from 2000-2011 Background on America's rarest coins and the record prices paid Expanded, in-depth section on U.S. commemorative coins, including every special set issued for modern commemorative coins. Expert information on how to avoid buying counterfeit coins. Tips for using the Internet in your collecting pursuits Get all this and more in one single, comprehensive reference book produced by the top researchers and editors in the numismatic market!
