## Coins Collectors: Golden Anniversary Edition

**Q. David Bowers : Coins Collectors: Golden Anniversary Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Coins Collectors: Golden Anniversary Edition:

0 of 0 people found the following review helpful. Updated Classic on CoinsBy David 6602Mr. Bowers is the greatest US numismatic author in history. This is a anniversary edition of a true classic. I read the first edition many years ago.

This volume inspired me to take up the hobby of kings. Over the years, I have read many of Mr. Bowers' books. A reader with a interest in history, art, romance and economics will find this book most entertaining and enlightening. The pictures in this book are worth a non collector's time to view. The book on the Garret Collection is very valuable to one seeking knowledge on US numismatics. The History of United States Coinage: As Illustrated by the Garrett CollectionOne can join the American Numismatic Association and check out these and hundreds of other books for free.money. org.1 of 1 people found the following review helpful. Good history book and coin book.By C. BowerThis is a must have for anyone that is a fan of the history of coin collecting. There is a ton of information in this book not just about the coins but also about what was happening in history at the time of the coins he is discussing. Dave

Bowers writing is very approachable.0 of 0 people found the following review helpful. Five StarsBy Sean

MeekExcellent.

In the brand-new Golden Anniversary Edition of Coins Collectors, Q. David Bowers brings us more than 50 illustrated chapters, telling of famous coins, obscure and mysterious tokens and medals, beautiful paper money, and legendary hoards and collections. A "Collector's Appendix" give the market values of the items discussed. Bowers shares the

stories behind the popular favorites and modern-day classics. He introduces us to personalities including famous coin designers, unscrupulous Treasury officials, brilliant scholars, Confederate raiders, burlesque dancers, globe-trotting magicians, and dueling numismatists. *Coins Collectors* includes interviews never before seen in print.
