Collectible Golfing Novelties

Beverly Robb : Collectible Golfing Novelties before purchasing it in order to gage whether or not it would be worth my time, and all praised Collectible Golfing Novelties:

Whether you play golf, collect golfing memorabilia for the sake of a good investment, or simply enjoy the Ralph Lauren look, Collectible Golfing Novelties presents it all. The author displays old clubs and equipment, as well as magazines, books, smoking and bar accessories, jewelry, figurines, games, pottery, and more! Find out who the golfing greats were and expand the knowledge and appreciation of your collection through a wealth of photographs offered in the book. Over 500 years of golf memorabilia is presented in full color in a complete and organized manner. Over 500 photographs render a classic game with overwhelming collectibles. Don't miss it. Includes a price guide for collectors.

About the Author Beverly Robb and her husband Mathew, who contributed to the photography, run two antique booths dealing with golfing memorabilia. They are Missouri natives currently living in Texas.
