There are uses for hankies way beyond wiping noses. There are craft and art projects you can do with them; quilts large and very small are my speciality, but they can go into aprons beautifully.0

Handkerchiefs are the perfect collectible: they are inexpensive, useful, decorative, fun, and easy to pack in a suitcase! Whether a souvenir of a memorable occasion or a memento from a loved one, this author shows that all are worth

preserving. This book is absolutely charming. Organized by theme, hundreds of handkerchiefs are shown in over 300 color photographs representing over 30 states, major cities, popular tourist destinations, and many continents.

Examples date from the 1940s to the early 1960s and include handkerchiefs by designers Billie Kompa, Tammi Keefe, Pat Prichard, Frederique, and others. Enjoy lovely floral prints, holiday motifs, the best quality fabrics, bright colors, intriguing designs, hand-rolled or neatly machine-stitched scalloped edges, fine lace trim, and original paper labels or tags. Up-to-date pricing and informative descriptions make this newly revised book ideal for any collector, dealer, or world traveler.
