Five StarsBy Ray AlbaExcellent book for all ages.0 of 0 people found the following review helpful. Perfect gift for collector/friendBy MagicRatI have a friend who is one of those people who has everything and is very

hard to shop for. He recently started buying sports collectibles off of e-bay, and I bought this for him as a birthday gift. He loves it and has even commented to me a couple of times since his birthday how much enjoyment and use he is getting out of it. The book is both useful for people getting into the hobby, and a nice picture/coffee table book.
