(Free) Full-Auto Conversion Of The SKS Rifle

Full-Auto Conversion Of The SKS Rifle

Powder Burns : Full-Auto Conversion Of The SKS Rifle before purchasing it in order to gage whether or not it would be worth my time, and all praised Full-Auto Conversion Of The SKS Rifle:

1 of 1 people found the following review helpful. Interesting ReadBy C. P. HendrixInteresting little book. If you want a great resource on the SKS rifle, this one is it. Full auto conversion is illegal and really impractical, but if you have gunsmith knowledge and gunsmith experience, you could probably do it. I don't think the gas mech and barrel would

hold up. Just enjoy the book for all the details of this amazing rifle.4 of 4 people found the following review helpful.
"Because knowing is half the battle"By shamrock75There isn't much to it,If I ever really wanted to pull off this sort of
conversion all the info is right here.Not to bad of a price for this interesting book.0 of 0 people found the following
review helpful. Excellent product.By CustomerExcellent product.

Learn how to modify the rifles trigger assembly with simple hand tools, safely test the weapon for proper function and
enjoy recreational full-auto fire. All BATF rules apply. This book is for academic study only! 5 1/2 x 8 1/2, softcover,
photos, illus., 80 pp.
