Furniture Care and Conservation (American Association for State and Local History)

Robert F. McGiffin : Furniture Care and Conservation (American Association for State and Local History) before purchasing it in order to gage whether or not it would be worth my time, and all praised Furniture Care and Conservation (American Association for State and Local History):

1 of 1 people found the following review helpful. Recommended by conservatorsBy A CustomerAt a workshop on

conserving antiques given by conservators, this book was recommended as "one of the few reliable texts widely available." Their booklet describes the book: "Simple, easy to understand book on furniture care and simple treatments." 0 of 0 people found the following review helpful. Ethics and Practices Clearly Explained By Clarke Green Written as a guide for museum conservators by a conservator. Presents excellent practical information and presents a code of ethics. Anyone who owns, cares for or commercially works on antiques should read McGiffin's work. 0 of 0 people found the following review helpful. furniture care and conservation By Dennis Humphrey This is by far the best book on conservation i have ever read

Written for collectors and curators alike, Furniture Care and Conservation illustrates the full range of problems encountered in working with antique furniture and provides instructions for proper care.
