Gardner's Art Through Ages- Text Only

Fred S. Kleiner, Christin J. Mamiya, Helen Gardner : Gardner's Art Through Ages- Text Only before purchasing it in order to gage whether or not it would be worth my time, and all praised Gardner's Art Through Ages- Text Only:

Book DescriptionThe market-leading text for the art history survey course, GARDNER'S ART THROUGH THE AGES has served as a comprehensive and thoughtfully crafted guide to the defining phases of the world's artistic tradition. With this book in hand, thousands of students have watched the story of art unfold in its full historical, social, religious, economic, and cultural context, and thus deepened their understanding of art, architecture, painting, and sculpture. By virtue of its comprehensive coverage, strong emphasis on context, and rich, accurate art reproductions, GARDNER'S ART THROUGH THE AGES has earned and sustained a reputation of excellence and authority. So much so, that in 2001, the Text and Academic Authors Association awarded both the McGuffey and the "Texty" Book Prizes to the Eleventh Edition of the text. It is the first art history book to win either award and the only title ever to win both prizes in one year. The Twelfth Edition maintains and exceeds the richness of the Gardner legacy with updated research and scholarship and an even more beautiful art program featuring more color images than any other art history book available. The Twelfth Edition features such enhancements as more color photographs, a

stunning new design, and the most current research and scholarship.
