This two volume set is a fully illustrated, detailed look at the famous German "stahlhelm" of World War II. Full color

photographs - including multiple-view, interiors, and up-close detail - show Army, Luftwaffe, Kriegsmarine, Waffen-SS, Paratroop, and many others. Both volumes have been specifically produced to give the advanced collector the opportunity to expand his or her knowledge, and to compare paint and insignia against their own collections. For the novice or would-be collector, these books are an invaluable reference.

About the Author Branislav Radovic retired from his position as Visual Editor of the London Financial Times newspaper in 2005. He moved to Aquitaine in southwestern France to live, where he draws, sculpts, collects and produces books on military subjects.
