I bought it for the color sears catalog pictures. Very disappointed.0 of 0 people found the following review helpful. Takes me on a pleasant journey back to childhood!By Judith Lynn UnderwoodSo pleased! Wish it had more COLOR pictures but otherwise is the same Sears Christmas Wish Book I had as a child and spent so many hours looking through and dreaming!2 of 2 people found the following

Sadly to say, it wasn't in any of the pictures listed. But, the book is still a fascinating read. It's now a "coffee table" book at our house and all our guests enjoy looking through it, too.

Destined to bring back happy childhood memories. This exciting book includes authorized full-sized page reproductions of the best original catalog pages from the Sears Christmas "Wishbook" pages from 1950-1969. Organized by year, this fun book is packed with such classic toys as Barbie and Ken, the Easy Bake Oven, luxurious Marx dollhouses and kitchen sets, Twister, Mystery Date, Mouse Trap, Chatty Cathy and more, with the original prices too!
