## **Glanzstucke (German Edition)**

**Paul Asenbaum, Wolfgang Kos, Eva-Maria Orosz : Glanzstucke (German Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Glanzstucke (German Edition):

1 of 1 people found the following review helpful. Book ReviewBy SueGreat book on Weiner Werkstatte jewelry, with an emphases on Emilie Flöge,muse of Gustave Klimt. Unfortunately it is written in German and 90% of it can be found in the 2008 American version "Weiner Werkstatte Jewellery". The majority of the well done pictures are the same as the American version except they are larger,smaller or arranged differently. I cannot comment on the text since I cannot read German. However a Brosche is a brooch.

A sumptuous survey of Wiener Werkst,tte jewellery. A must for all aficionados of jewellery and Jugendstil! Text in German
