Glass Animals: Animal Figural Related Items Identification Values, 2nd Edition

Dick Spencer, Pat Spencer : Glass Animals: Animal Figural Related Items Identification Values, 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Glass Animals: Animal Figural Related Items Identification Values, 2nd Edition:

2 of 2 people found the following review helpful. Glass Animal ID Price GuideBy K. RhodesNice book with many different glassware companies items listed. There are great pictures in this book! It has a price guide right next to the picture or below it.I bought this for my mom for Christmas...to help her with her collection. Why not see if she has anything listed just for kicks. She's been collecting and we've been helping her add to her collection over the years, but we didn't know anything about them either.It's fun to see if there's anything in the book. I would say that there is probably a second glass animal book in the works because this can't begin to cover all the makers. I see a few of my

mom's in there, but I see a lot more that I think are old that aren't listed in this book. Great picture identification book. Covers animals split into their own categories - e.g. bears, donkeys, fish, dragons, whales) Worth buying. 0 of 0 people found the following review helpful. Good place for books! By Jane Rose-Champe Great content 2 of 2 people found the following review helpful. collector By gramnancee Great book. Well planned and informative. I found the item I was looking for very quickly.

This book helps educate the collector on the differences between original and reissued items. This second edition has been expanded to include animal and figural related items. Candlesticks, lamps, ashtrays, and general line glassware were designed and molded to portray living figures and these items have become highly collectible and are now in high demand. Realistic current values are included, and the book is arranged according to animal for ease in identification. 2004 values. AUTHOR BIO: Dick Spencer, a resident of O'Fallon, Illinois, and his wife, Pat, own hundreds of glass animals and other glass items. Their collection was the basis for two editions of Glass Animals of the Depression Era. Their passion for collecting goes beyond glass, and encompasses pottery and other antiques and collectibles. AUTHOR BIO: Pat Spencer, a resident of O'Fallon, Illinois, and her husband, Dick, own hundreds of glass animals and other glass items. Their collection was the basis for two editions of Glass Animals of the Depression Era. Their passion for collecting goes beyond glass, and encompasses pottery and other antiques and collectibles. REVIEW: This book is filled with hundreds of new photos not in the previous edition. The sharp images and detailed information make this book an indispensable guide for collectors.
