Tells you what to look for and how much it is worth. A lot of items shown in this book are older.

A collector's delight, this comprehensive volume is devoted to the wide variety of charming salt and pepper shakers produced by Goebel Porzellanfabrik* of Germany, from the 1920s through the 1980s. Nearly 600 color photos display shakers and condiment sets in the forms of animals, birds, fish, people, flowers, fruits and vegetables, and

more. Variations in color or size are included, as well as many scarce or rare sets. Captions contain identification numbers, artist's name where known, date of manufacture, and current market value. Also includes a helpful explanation of Goebel's numbering system, trademarks used from 1923 to the present, and tips for identifying and pricing Goebel sets. A wonderful resource for all collectors and admirers of novelty salt and pepper shakers.

About the Author Hubert and Clara McHugh have been researching and collecting Goebel salt and pepper shakers for eighteen years. They are both active members of the Novelty Salt and Pepper Shaker Collectors Club.
