It's everything it says it is and more0 of 0 people found the following review helpful. good book, it doesn't get into many obscure artists ...By John A. Williamsongood book, it doesn't get into many obscure artists like riff ruffin, harmonica slim, williw egans etc but for more mainstream stuff it's pretty good1 of 1 people found the following review helpful. GOLDMINE PRICE GUIDE 7TH EDITIONBy Edward S. BrownA very good edition. Lists releases by many artists.

Easy to locate information regarding songs. It is a thick book, the reason being, lots of information.

One key to record collecting success is the ability to identify fakes, phonies and frauds, and with this guide and bonus

DVD readers can. This new edition of the only book dedicated to 45 RPMs contains 80,000 listings with essential details for identifying 45s, including artist, record label, number, date of release, value, and variations and fakes. In addition, it features market reports and articles touting rare 45s, and the revival of the hobby.
