(Read free ebook) Goldstruck Limited Edition: A Life Shaped by Jewellery

## **Goldstruck Limited Edition: A Life Shaped by Jewellery**

**Stephen Webster : Goldstruck Limited Edition: A Life Shaped by Jewellery** before purchasing it in order to gage whether or not it would be worth my time, and all praised Goldstruck Limited Edition: A Life Shaped by Jewellery:

0 of 0 people found the following review helpful. Exceptional Jewelry Designer Book By J. Rhiannon Julian Was on the fence about getting this book because of the wide range of previous reviews ... and it is important to see clear pictures of jewelry creations in this type of book. Boy was I ecstatic to flip through this book!!! The majority jewelry pictures are large, clear close-ups with a few 'artistic' ones thrown in for display but what was really special were all the drawing of the jewelry. It is so rare to see the concept drawing let alone ones so beautifully done!!! No one should ever regret having this book in their collection - I know I don't. 0 of 0 people found the following review helpful. Five Stars By Carol J. Camacho Fabulous, gorgeous book! 1 of 1 people found the following review helpful. Show the piece! By jade pierce I dislike jewelry books that focus on artsy photography and doesn't really show the piece well. Seems to be a current trend and this is one of them. Very disappointed

This beautifully illustrated book offers the first look back on a storied career by acclaimed jewelry designer Stephen Webster. Setting luxurious reproductions of Websters stunning creations alongside a charming collection of musings on his life and experience, it is a book like no other, a hybrid that enhances our understanding of Websters work and the genesis of his artistic vision. Tracing Websters career back to his earliest days and his enrollment in a jewelry-making course at his local college in Rochester, Kent, the book is full of anecdotes and memories that offer autobiographical insights into the inspirations and influence that have fired his work for decades. The many photographs from his own collection amplify the intimate feel of the book, giving a true behind-the-scenes look at a life devoted to the making of beautiful objects. Enclosed in a luxurious amethyst-colored slipcase, the limited edition of Goldstruck is packaged with a unique illustrative print of the Wrath Ring from the Seven Deadly Sins collection,

created exclusively by Stephens design studio for the publication of Goldstruck and signed by the author.

About the Author Stephen Webster is a British jewelry designer based in London.
