Greenberg's Guide to Lionel Trains: Pocket Price Guide 1901-2006

From Brand: Kalmbach Publishing Company : Greenberg's Guide to Lionel Trains: Pocket Price Guide 1901-2006 before purchasing it in order to gage whether or not it would be worth my time, and all praised Greenberg's Guide to Lionel Trains: Pocket Price Guide 1901-2006:

0 of 0 people found the following review helpful. Valuable InformationBy OhioanI needed to know about old Lionel train sets, both what pieces were offered and what they were worth today, and I found the descriptions in this guide excellent. I learned about the years certain pieces were manufactured, and also learned about how the pieces/cars/scenery functioned. I wasn't that interested in what collectors would pay for these pieces, but that information also seemed very organized and well-explained.0 of 0 people found the following review helpful. Four StarsBy CustomerGood0 of 0 people found the following review helpful. IndispensableBy J. PaulThis is an indispensable, pocket guide for identifying Lionel Trains at train shows. It's easy to use and obviously handy because it slips easily into a back pocket. I use the pricing only as a way of identifying general area of value. Any one item could be worth more or less. Guide is great for keeping track of train items you own or are looking for.

2006 Edition, Greenberg's Guides. Handy reference.
