[Ebook free] Greetings from Cincinnati

## **Greetings from Cincinnati**

**Mary L Martin : Greetings from Cincinnati** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Greetings from Cincinnati:

5 of 6 people found the following review helpful. Disappointment in Cincinnati By History Hiker Images of 225 postcards in Mary L. Martin, Ltd. collection are OK but there are few details of original postcards - cancel dates or estimated dates are supplied in captions but sizes of original cards are not given and reproduction sizes vary. There is no transcription of information from card backs -- no publisher nor photographer information given. A disappointment to collectors. Historical text is filled with errors. Text reads like copy for a version of "Jay-walking" for Jay Leno show -- author is uninformed and ignorant. Too bad publisher did not edit book. A quick look at Internet would have indicated gross inaccuracies in the text.

A grand river city in southwestern Ohio, Cincinnati is rich in history and exquisite charm. In these pages you will experience unparalleled architecture and art such as that seen at Union Terminal and the Eden Park Conservatory, powerful waterfront and landscapes skirting the magnificent Ohio River, and entertainment sites including the wondrous Ohio Grove Amusement Park-- "The Coney Island of the West." Take time to see disaster cards depicting the fierce tornado of 1915, the flood of 1937, and a terrible fire in the early 1900s! Learn about the important Underground Railroad significance of Cincinnati in times past. Over 225 vintage, hand-tinted postcards dating back to the turn of the century showcase the nostalgic quality of the "Queen City." Whether it's the excitement of Cincinnati's busy streets and towering buildings, the active riverfront metropolis, or zoological and natural wonders, Cincinnati will astound as you fondly explore its progress from small river town to thriving city. Approximate dating and postcard values will aid collectors in building their own collections of these striking images.

About the Author Mary L. Martin, Ltd. is the largest postcard operation in the world based Perryville, Maryland. Dinah Roseberry is an accomplished author and editor, with a special interest in economic development and tourism.
