The calendar that speaks to the guitar lovers soul, Guitars Calendar is a passionate tribute to music, mojo, and craftsmanship, presenting a dozen cutting-edge and visually dazzling instruments. Each month, it spotlights a groundbreaking, rare, or otherwise notable instrument, gorgeously photographed in full color and printed on an oversize 12" 14" format that makes every detail and subtlety shine. Featuring such shredders as the sexy Music Man St. Vincent, the twangy 1955 Gretsch Rancher, and the out-of-this-world Teuffel Niwa. Fascinating, in-depth text delves into each guitars maker, history, characteristics, sound, prominent players, and more. A gift for the guitar-obsessed.
