1 of 1 people found the following review helpful. dissapointed with this oneBy EricI have read previous books by Petzal and was very impressed and satisfied with them. This book doesn't have enough text and information; it was more a list of guns and multiple of pictures. It would be better with more information.0 of 0 people found the following review helpful. Five StarsBy Customerthe book is great thanksKen0 of 0 people found the following review helpful. not badBy RadioMandecent volume. worth the money.
