Another in the SeriesBy Jim G11The 1987 Gun Digest is always a good book to have. Like all in the series 1944 to present the articles are all well written with real substance. In this year's offering the big news was Bill Ruger's GP100 .357 Magnum Revolver. Articles on the .45 Acp revolver, Modern Sharps Rifles, The Radom 9mm Pistol, the Glaser Safety Slug, and Remembering John (Amber 1903-1986) were all articles that I found interesting.
