This issue has a very clear adn well written article on applying a stock finish using egg whites.0 of 0 people found the following review helpful. Five StarsBy DKUGUN DOGEST ALWAYS GREAT0 of 0 people found the following review helpful. Better than any magazineBy A CustomerSo what if it appears only yearly...Gun Digest is the best periodical firearms publication going and has always been. The monthly magazines don't support scholarly firearms writing...only Gun Digest.

The Worlds Greatest Gun Book," a perennial best-seller, continues the editorial excellence and comprehensive cataloging of arms and accessories that, for more than 50 years, firearms enthusiasts have come to appreciate and expect. Last years most commented-upon new feature the Industry Website Directory has been updated and expanded.

The front of the book contains the best writing available on a broad range of firearms subjects historical, technical and informational as well as detailed reports on the latest firearms, optics and ammunition. The balance of the book contains diverse but information-filled reference sections, including: Over 3,000 firearms listings include specifications and retail prices use the Gundex to find any firearm easily. Expanded, complete listings of scopes, metallic sights, mounts, chokes and muzzle brakes more illustration, more detail. Directory of the Arms Trade updated annually; the very best all-around reference to the shooting sports industry. The Arms Library, Directory of Arms Periodicals and Arms Associations.
