Gun Trader's Guide - 30th Edition

Stephen Carpentieri : Gun Trader's Guide - 30th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Gun Trader's Guide - 30th Edition:

0 of 0 people found the following review helpful. Gun Traders GuideBy Louise GwinI ordered this for a friend who is a collector of all kinds of guns. He was very pleased with the book.0 of 0 people found the following review helpful. Gun Traders GuideBy George SiffertWas what I expected.No false claims the book was well worth what I paid Would gladly use again.gun traders guide 30 addition was perfect5 of 6 people found the following review helpful. Gun Trader's GuideBy Dr. James L. BrownFor at least the last five or six years I have purchased this guide. This and the Blue Book of Gun Values really work well together for me in making an educated reference point when out in the field and in the vault as well. I like this guide because of the pictures too and there's quite a bit of information and history in it too.jim

Stoeger's Gun Trader's Guide has remained the primary reference guide for firearms identification and values for gun

buffs, hunters and shooting enthusiasts worldwide. First published during the final years of the Korean War in 1953, the Gun Trader's Guide features basic specifications, dates of manufacture, informative photographs and current average values for more than 6,000 domestic foreign handguns, rifles and shotguns, manufactured after 1900. These include military and law-enforcement models as well as rare and unusual collectibles. A grade and condition guide and complete index provide easy reference for all guns; plus handy thumb tabs assist readers to find, identify and price firearms.

Buying, selling or trading firearms--this book is an investment in due diligence. -- Terry Sheely, The Reel News, October 2007 Fully illustrated and comprehensive. What gun owning home is complete without the Gun Trader's Guide? -- SaveTheGuns.com If you appreciate old guns as well as new, then Stoeger's Gun Trader's Guide is an essential addition to your library. -- ClayShootingUSA; January/February 2008 It would be well worth your time and money to get the latest Gun Traders Guide if you have a gun or are planning to purchase one, it gives you very a informative look as to what your rifle, shotgun or handgun is worth on the market today. -- William H. Chaffee, The Laurens Sun, April 24, 2008 The Gun Trader's Guide is an excellent reference book for hunters, shooters and gun buffs seeking to identify and value collectible and usable modern firearms.... Revised each year, the Gun Trader's Guide contains specifications, dates of manufacture and current average market values for more than 6,000 handguns, rifles and shotguns manufactured in America and abroad since 1900. It also contains hundreds of detailed photographs, a grading and condition guide, complete index and handy reference tabs to help readers find, identify and price firearms of all kinds. -- Ron Kolodziej, Amsterdam Recorder, July 8, 2007 About the Author Stephen D. Carpenter is editor for several editions of Game Fish magazine and has served as editor for 4 issues of Stoeger Publishing's Gun Trader's Guide . For more than 15 years he has written the "All Outdoors" column for Maine's Rolling Thunder Express online journal. An accomplished writer, he is an avid sportsman and recognized outdoor photographer.
