(Download pdf ebook) Guns Illustrated 2011: The Latest Guns, Specs Prices (Guns Illustrated: The Journal of Gun Buffs)

## **Guns Illustrated 2011: The Latest Guns, Specs Prices (Guns Illustrated: The Journal of Gun Buffs)**

**Dan Shideler : Guns Illustrated 2011: The Latest Guns, Specs Prices (Guns Illustrated: The Journal of Gun Buffs)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guns Illustrated 2011: The Latest Guns, Specs Prices (Guns Illustrated: The Journal of Gun Buffs):

3 of 3 people found the following review helpful. A disappointmentBy F. CarterI was really hoping for a lot of insightful gun information about styles, builds, selection, fitting, etc. Instead what I got felt more like a book with some stories that were written for the sake of gun sales promotions with a price guide in the back. I would not have bought this book if I had a chance to view it in advance. There are more effective non-fiction gun guides and price lists. I am wondering if the publishers even care about guns or if they make a Boats Illustrated, Housewares Illustrated, Compuers Illustrated and other generic books with the same cookie-cutter approach.0 of 0 people found the following

review helpful. Guns Illustrated 2011 Great Reference on Featured FirearmsBy Frank J MotlikGreat reference for the latest guns, specifications, and prices on featured firearms in this book. Dan Shideler is one of the great authors on firearms.4 of 5 people found the following review helpful. Great digest bookBy GbinaI bought this book for my father for Christmas who's into all types of guns, shooting, taking them apart, etc. etc. He absolutely loved the book and was so excited to have it. The description is 100% accurate, it offers a HUGE range of guns, great pictures, and interesting facts about each. Dan Shideler did an awesome job with this and didn't just tell stories of his experiences which I see a lot of gun books do. This is the perfect book if you're looking for a true digest about a lot of different guns.

**YOUR GO-TO GUIDE FOR GUNS, AMMO GEAR**Get the complete low-down on what's new in the shooting industry with Guns Illustrated 2011. Stuffed with photos and behind-the-scenes peeks at today's hottest guns and gear, Guns Illustrated 2011 is an economical guide to the latest and greatest guns, shooting supplies and accessories.
