PeytonMy mother has been collecting various Hallmark Keepsake ornaments for years. If you want to find out the information available in this book, you can go online. However, my mother chooses not to have a computer. (Believe me, I feel the same way you do about this!) I purchased this book as a Christmas gift. She loves it. That alone is worth 5 stars, but I'm giving it 4

stars because it only goes up to 2006.0 of 0 people found the following review helpful. Great condition as advertisedBy kbeans57Came in a timely manner. Was just what I wanted. Great condition as advertised. Hard to find so elated when I got it.

This second edition value guide for Hallmark Keepsake Ornaments is the most comprehensive guide to secondary market prices ever produced. It is printed in a larger, 8.5x11 format and contains over 6,000 full-color entries, which include Christmas Ornaments, Easter/Spring Ornaments, Special Issue Ornaments, Miniatures, and Other Special Items. Three popular categories have been added to this edition: Merry Miniatures, Kiddie Car Classics, and Legends In Flight. Editorials cover the history of Christmas Ornaments and everything Hallmark has done to promote ornament collectibility since it began producing Christmas Ornaments, plus "The Ornaments that Never Were" and "Collecting Hallmark With Passion" which profiles 3 prominent collectors.
