Halloween in America: A Collector's Guide With Prices (Schiffer Book for Collectors)

Stuart Schneider : Halloween in America: A Collector's Guide With Prices (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Halloween in America: A Collector's Guide With Prices (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. A must-haveBy Prim CrafterA Must-have if you like vintage Halloween!1 of 1 people found the following review helpful. as I see itBy tuliplipsThis book is perfect if you are collecting vintage Halloween items and want to know approximately the year the items were made and the maker of the items. The photos are very sharp. This is a great coffee table book to have out in the fall. Several people have looked through my copy and remarked it is a wonderful book and remembers some of the items from when they were younger. When I read the previous reviews I had mixed emotions on whether I should get the book. I'm certainly

happy that I followed through and purchased it.0 of 0 people found the following review helpful. Five StarsBy Dennis Haynesgreat reference

Halloween is quickly becoming the most popular holiday in America. Next to Christmas, more money is spent on Halloween decorations and novelties than on any other holiday. This wonderful book has been credited with inspiring the Halloween collecting craze, giving its devotees a chance to celebrate the holiday all year round! In addition to color photography and a brand new price guide, there is also a lot of fascinating insight into Halloween. Most people are familiar with the symbols--Ghosts, Jack O'lanterns, Witches, Bats, Skeletons and Black Cats--but few know about Halloween's past. Why does it exist? What is the origin of trick-or-treating? Why does it fall on October 31st? Through these pages you will experience Halloween celebrations of the past, and take a look at Halloween today. For collectors, this is a treasure trove of memorabilia, the largest ever published. It is illustrated in beautiful color and includes newly updated prices for reference.

About the AuthorStuart Schneider is an attorney in Englewood, New Jersey who has collected Halloween remembrances for many years. He has also written Halleys Comet - Memories of 1910, Collecting the Space Race, Fountain Pens and Pencils - the Golden Age of Writing Instruments, The Illustrated Guide to Antique Writing Instruments, and The Book of Fountain Pens and Pencils.
