(Mobile ebook) Hammy (Volume 1)

Hammy (Volume 1)

Kiraya Lynn Kestin : Hammy (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hammy (Volume 1):

0 of 0 people found the following review helpful. A wonderful child's storyBy Cobalt BlueThis is a wonderful book about a young girl's first pet and the relationship that develops between her hamster and the family's cat. The author's colorful watercolors, large book format, and hand-lettered text will draw children into the story. And that's especially true of the striking cover. That cute little hamster is looking right at the reader as if saying, "I see you!" With the cat showing interest from below, a young child will naturally be concerned about Hammy's welfare and want to open the cover right away.0 of 0 people found the following review helpful. HammyBy Virginia FurneyI chose this rating

because I felt this was a good book for all ages. The art work was very pleasing and I enjoyed the story. My granddaughters were particularly enchanted.

In "Hammy"eight year old Mary has to convince her parents to let her keep the school's hamster. Unfortunately, her

sister has a Siamese cat who figures out how to open the cage door. We follow Mary's joys and struggles to make adjustments with the pets and her older sister. This story has a surprise ending when Mary's hard work with the cat pays off.

About the Author "Hammy" is Kiraya Kestin's first published children's book. She became a writer so that she could share with you her true story about what happened to her pet hamster when she was in grade school. Two of the pictures were painted by her at that time, her family home and portrait of Shadow Mist. Kiraya Kestin is also an artist in oil paintings besides watercolors. She designed and makes handcrafted jewelry, too. Her work can be viewed at <http://www.creationsbykiraya.com>
