It has lots of illustrations and photos, showing techniques used in Guatemalan weaving. It has patterns and lots of informative text. If you are interested in backstrap weaving, inkle weaving, Rigid Heddle, etc. this is a must have. I was surprised to see how informative it was as a newbie to this technique it has sure helped me learn how to weave these techniques.0 of 0 people found the following review helpful. Five StarsBy Sara LazwikI love it0 of 0 people found the following review helpful. Very helpfulBy mary VernonI first checked this book out from our library, renewed it twice and then bought it. Great book, good illustrations
