Weaving Overshot: Redesigning the Tradition

Donna Sullivan : Weaving Overshot: Redesigning the Tradition before purchasing it in order to gage whether or not it would be worth my time, and all praised Weaving Overshot: Redesigning the Tradition:

6 of 7 people found the following review helpful. ContentsBy 2crazy4books2Weaving Overshot: Redesigning the Traditionby Donna Lee Sullivan1996"Beginning with the basics of overshot, the author leads the reader one simple step at a time from traditional "colonial" four-shaft patterns to designing and drafting overshot, combining overshot with threadings for other weave structures, working with more than four shafts, analyzing and reproducing antique fabrics, and reading antique drafts. Each technique is clearly and sensibly presented with drafts, woven samples, and easy-to-follow instructions so that the beginner weavers will be assured of success and experienced weavers will be inspired by the many possibilities of this versatile weave

Overshot WeavingBy NeedleladyOvershot is my favorite weave structure. I was happy to find this book that is dedicated to that weaving structure.2 of 4 people found the following review helpful. Weaving overshotBy Gerilyn ArtThis book is a very good addition for a weaving library. It explains very well how to set up and weave overshot.

A complete discussion of overshot weaving with drafts, woven samples, and instructions.

About the AuthorCurrently enrolled in the Master of Fine Arts Program at the University of Missouri at Columbia,

Donna Lee Sullivan is a recipient of the Master Level Certificate of Excellence in Weaving, awarded by the Handweavers guild of America. Besides serving as a graduate assistant, she continues to teach and exhibit throughout the US and Canada, as well as finding time to explore the possibilities of various weave structures. Donna Lee's other books include more than one hundred articles, two other books ('Summer and Winter: A Weave for all Seasons' and 'Pique: Plain and Patterned'), and a videp)Colour Interaction for Handweavers)
