Weaving Rag Rugs: A Women's Craft in Western Maryland

Geraldine Niva Johnson : Weaving Rag Rugs: A Women's Craft in Western Maryland before purchasing it in order to gage whether or not it would be worth my time, and all praised Weaving Rag Rugs: A Women's Craft in Western Maryland:

3 of 3 people found the following review helpful. Misleading TitleBy my one centThis is not the book for anyone wanting to learn how to weave rag rugs. The methods used by these weavers are quite primitive. And any techniques and tools are buried in far more personal detail than I wanted to know. It is actually more of a history of the areas named. If someone is looking to learn how to weave rag rugs I suggest they get Rag Rug Handbook by Janet Meany and Paula Pfaff.0 of 0 people found the following review helpful. Great book to learn more about rag rug weaving.By Angelia PillowI love this book. It tells a history of weaving rag rugs and gives you a look at the lives of the women who made a living doing it. It is well written and really gives an in depth look at the rugs and the history of rag rug making.1 of 1 people found the following review helpful. Historical perspectiveBy Sock KnitterThis wasn't what I expected. It doesn't give specifics on the woven items as I thought it would.
