Whitman Nat Park Blue Folder Pd 120 Hole

Whitman Publishing : Whitman Nat Park Blue Folder Pd 120 Hole before purchasing it in order to gage whether or not it would be worth my time, and all praised Whitman Nat Park Blue Folder Pd 120 Hole:

0 of 0 people found the following review helpful. Been a good coin case for the price!By caleb houtzGood thing to get your kid if they like collecting coins! It is compressed cardboard, but mine sits open on my dresser so unless your constantly moving it around and such, should last a nice while.Note: the coins were quite a tight fit, but not an obnoxious one0 of 0 people found the following review helpful. It's OKBy flaboaterTypical standard coin holder. Nothing really special about it. It holds all the NPS coins from both mints which is nice. The holes are cut very tight so it's not easy to get the quarter in it. Be careful, you may push so hard that you'll tear the folder.0 of 0 people found the following review helpful. Great folders!By Terry - mom of twoWe love the Whitman coin folders! They are a great

way to store your coin collection. My 7- and 9-year-olds enjoy trying to complete an entire folder and they look forward to the new coins being released. It would be even better if offered several folders as a set to purchase together. When adding coins to the folder, just make sure the folder is on a hard surface and the coin is facing the direction you want since they are not easy to remove. This is good because the coins will not fall out of the folder, but makes it difficult to replace coins if you find one in better condition than the one you have already added. I recommend these folders.

Whitman Deluxe Edition National Park Quarters Folder, 2010-2021, 120 openings, PD Mints. The National Park Quarters Coin Act of 2008 requires quarters, beginning in 2010, to have designs on the reverse depicting one national site in each state, the District of Columbia, and the five territories of the United States. Fifty-six (56) different designs will complete the program from 2010 through 2021. Whitman folders are built from the safest archival materials known. 7.0" x 9.5" closed, 28.5" x 7.0" open.
