The best I know of.1 of 1 people found the following review helpful. Winchester Slide Action RiflesBy williamThis is an outstanding reference book for anyone owning and maintaining this cherished item of American gunsmithing history. This book shows the correct pieces that make this rifle so important,

Winchester Slide Action Rifles is brimming with thorough detailed information - exploring receivers, barrels, markings, stocks, stampings and engravings of the favorite slide-action guns of America. This first edition of the "Winchester Classics" series features an exhaustive history - told through the eyes of respected firearms expert Ned

Schwing - of Winchester's innovative and very popular slide-action .22 caliber rifles, including models 1890, 1906, 61, and 62. With an entirely new index, new color photos, a new introduction, and updated information, this classic reference volume combines what was previously a two-volume set into one complete volume. Hundreds of photographs show the development, mechanical features (inside and out) and variations of various slide-action rifles and present an abundance of other details. This reference is filled with valuable data including serial numbers, production and sales figures, retail prices and more.
