Wooden Jewelry and Novelties (Schiffer Book for Collectors)

Mary Jo Izard : Wooden Jewelry and Novelties (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wooden Jewelry and Novelties (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. Great book By shasha0518I had some pieces I had picked up along the way, and needed info on them, This is a great little book that has alot of great info, on a lot of different pieces. Came as described, and in record time.

Popular carved wooden jewelry and novelties, from the 1920 to 1950 era, are attracting attention at antiques markets because they are delightful design images and happy reminders of a by-gone age. With over 425 color examples to delight the eye, this book gives readers a wonderful variety of items that often incorporate Plastics, Bakelite, and Lucite. The jewelry includes bracelets, necklaces, and charming figural pins in design themes encompassing of water creatures, military, cowboys, Indians, animals, fruit, nuts, and more. The related novelties include advertising and kitchen items, buttons, masks, clothespin figures, pictures, toys, and more. Value ranges are included with the captions.

About the Author Mary Jo Izard is an active antiques dealer in central Texas specializing in jewelry, small antiques, and glassware.
