There was basically no information regarding how to actually build a USABLE suppressor. Very dated. This clown's "designs" are taping soda cans together. I want my money back.0 of 0 people found the following review helpful. Five StarsBy Doug YoungExcellent Book0 of 0 people found the following review helpful. Three StarsBy CasperI only do the star rating system when it comes to movies or books.

Here is a slew of new and interesting improvised silencer designs featuring innovative couplings plus variations on aluminum cans, oil filters, PVC pipe, plumbing devices, water sprinkler pieces and other unique materials. Warning: It is illegal to possess or make firearm silencers without BATF registration. For academic study only.
