Woven QuiltedBy Shulman familyA highly recommended book for quilters or anyone who wants to learn a fun new way of creating a quilt with weaving strips.1 of 1 people found the following review helpful. BeautifulBy Marieke HempVery beautiful work, lovely photography. Mrs. Caplinger is an amazing artist with a novel approach to quilting. I don't think I'll be able to duplicate her work, but it's a great source for ideas.0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent condition
