Woven Indonesian Textiles for the Home

Sian E. Jay Ph.D. : Woven Indonesian Textiles for the Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Woven Indonesian Textiles for the Home:

'Woven Indonesian Textiles for the Home' highlights the beauty and potential of traditional woven textiles. It demonstrates that taken out of their traditional contexts as clothing and ritual artifacts, textiles can be adapted and applied to contemporary needs within the wider market of design and fine living.
