Vol. 35: A mini notebook journal with an art nouveau cover (Volume 35):

Beautiful art nouveau fireplace tiles, both over 100 years old adorn the cover of this 120 lined page notebook journal. The beauty of that age will inspire you to write about things remembered, experienced and dreamt about, or maybe the artist in you will come alive and eager to create new things! Maybe both, because there is plenty of room in this journal to explore, plan, express and delight yourself on these pages...Ready?!!
