Your Notebook! Winter Journal (Volume 13)

Mary Hirose : Your Notebook! Winter Journal (Volume 13) before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Notebook! Winter Journal (Volume 13):

Playful red and green stripes have fun on the cover of this winter journal/planner. Girls in their homemade snowsuits get ready to try skiing for the first time. We know their snowsuits are homemade because this picture comes from a

1950s sewing pattern! Mother didn't have as much time to write back then, she was too busy sewing snowsuits for the kids. Wow. I wonder what she would have thought about polar fleece... How about your sewing stories, or winter stories, or skiing stories? Here you go - write them down and enjoy.
